### 3220 - PROFESSIONAL STAFF EVALUATION

The Board of Education, through the powers derived from the School Code and other relevant statutes, is responsible for the employment and discharge of all personnel. To carry out this responsibility, with involvement of professional staff, it delegates to the Superintendent the function of establishing and implementing a rigorous, transparent, and fair performance evaluation system that does all of the following:

- A. evaluates the employee's job performance at least annually in a year-end evaluation, while providing timely and constructive feedback

Teachers rated highly effective on three (3) consecutive year-end evaluations may be evaluated every other year, at the District's discretion.

- B. establishes clear approaches to measuring student growth and provides professional staff with relevant data on student growth

Commencing with the 2015-16 school year, the year-end evaluation of student growth shall be based on the most recent three (3) consecutive school years of student growth data, or all available student growth data, if less than three (3) years is available.

- C. evaluates an employee's job performance, using rating categories of highly effective, effective, minimally effective and ineffective, which take into account data on student growth as a significant factor in the evaluation in accordance with State law.

For these purposes, student growth shall be measured by national, State, or local assessments and other objective criteria. Student growth shall be measured using the State and alternative assessments as prescribed by Section 1249 (M.C.L. 380.1249).

- D. uses the evaluations, at a minimum, to inform decisions regarding all of the following:
  - 1. the effectiveness of employees, so that they are given ample opportunities for improvement
  - 2. promotion, retention, and development of employees, including providing relevant coaching, instruction support, or professional development

3. whether to grant tenure or full certification, or both, to employees, using rigorous standards and streamlined, transparent, and fair procedures
4. removing ineffective tenured and untenured employees after they have had ample opportunities to improve, and providing that these decisions are made using rigorous standards and streamlined, transparent, and fair procedures

Commencing with the 2015-16 school year:

- E. provides a mid-year progress report for every certificated teacher who is in the first year of probation or has received a rating of minimally effective or ineffective on the last year-end evaluation

This mid-year report shall not replace the annual year-end evaluation. The mid-year report shall:

1. be based, at least in part, on student achievement;
2. be aligned with the teacher's individualized development plan;
3. include specific performance goals and any recommended training for the remainder of the school year, as well as written improvement plan developed in consultation with the teacher that incorporates the goals and training.

- F. includes classroom observations in accordance with the following:

1. must include review of the lesson plan, State curriculum standards being taught and student engagement in the lesson
2. must include multiple observations unless the teacher has received an effective or higher rating on the last two (2) year-end evaluations
3. observations need not be for an entire class period

The staff evaluation program shall aim at the early identification of specific areas in which the individual professional staff member needs help so that appropriate assistance may be provided or arranged for. A supervisor offering suggestions for improvement to a professional staff member shall not release that professional staff member from the responsibility to improve. If a professional staff member, after receiving a reasonable degree of assistance, fails to perform his/her assigned responsibilities in a satisfactory manner, dismissal, or non-renewal procedures may be invoked. A teacher rated as "ineffective" on three (3) consecutive year-end evaluations must be dismissed from employment as a teacher with the District. In such an instance, all relevant evaluation documents may be used in the proceedings.

Evaluations shall be conducted of each professional staff member as stipulated in the Teacher Tenure Act, the revised School Code, a negotiated agreement or contract, the Superintendent's administrative guidelines and as directed by the Michigan Department of Education. A professional staff member shall be given a copy of any documents relating to his/her performance which are to be placed in the personnel file.

The evaluation procedure set forth above in this policy shall be in effect as of September 1, 2011, unless there is a collective bargaining agreement in place as of July 19, 2011, which would prevent implementation of this procedure. In that case, the procedure must be in place and become effective upon the expiration of the bargaining agreement.

This policy shall not deprive a professional staff member of any rights provided by State law or contractual rights consistent with State law.
