| | Mackenzie Woodring—Gold Medal Cyclist—Paralympics |

Voting Procedures: Each member of the election committee will complete one induction nomination ballot, according to the bylaws of the Holton Sports Hall of Fame. Selection committee members will rank each candidate by placing a one (1) next to their top candidate, a two (2) next to their second candidate, and will follow this pattern until all candidates are ranked. The candidate receiving the lowest point total when all ballots are added together will be placed on the final induction ballot, which must be approved by a two-thirds (2/3) majority vote of the selection committee.
