

# KNOW Your Schools

Rooted in Community, Reaching for Excellence.

Vol 19, Issue 2, November 2024

## Superintendent's Message

Dear Holton Community:

Fall is such a beautiful time of year! I hope you were able to take time to enjoy the colorful display we get to enjoy in West Michigan. Soon we will be entering the holiday season and get to give special celebration to being thankful. The community of Holton Public Schools is certainly on my list of what I am grateful for! I am incredibly grateful to serve the students, staff, and families of this community. There are so many outstanding things happening across the district! Here are a few updates for you!

**Turf Replacement Project:** The time has come to replace our turf field. The first game played on the turf was in 2006. With a general life span of ten years, our turf field has maintained wonderfully. Our recent Impact Assessment indicates that the playing surface has become very hard and to ensure the safety of everyone who uses the field, it is time to complete this project. The turf replacement will begin in June with an anticipated completion in the summer. The total cost of the project is expected to be over \$1 million. Approximately \$350,000 of the funding for the project will come from set aside savings over the last several years and the remaining portion will come from a non-voted bond approved by the Board of Education. This will result in a payment the District will pay each year until the project is paid off. There will be no increase in taxes for the community due to this project. The District is able to afford this due to paying off existing debt from the QZAB which was a prior bond debt from 2007. Our turf field and stadium was an amazing investment by the community over 15 years ago. The turf field allows for our football players, marching band, track and field, cheerleaders, PE classes, and other users to have a safe and accessible playing surface that can be used all year. A rendering of the new turf field can be viewed at: <https://bit.ly/4fjsnUr> or use the QR Code. The turf will include updated graphics, stronger lines, preset marks for use by baseball and softball teams, and improved turf technology including a shockpad to reduce the wear of the field and improve player safety. We look forward to this project and that our beautiful stadium will be available for our school community for years to come.

**QZAB Debt Paid!** In 2007, Holton Public Schools participated in a Sinking Fund opportunity with the state which provided \$1.7 Million to the District to invest in energy efficient upgrades. These funds were used to pay for LED lighting, new appliances, and improvements to our heating systems. The District has paid these funds back since then spending approximately \$114,000 each year. In August, we made the last payment on this debt. This has reduced the debt load of the District by \$1.7 million dollars! It has also freed up funds for us to make payments toward the turf replacement.

**Bond Refunding:** The Board has initiated the process for bond refunding. This process allows for the District to consolidate debt and save taxpayers money. We currently have three outstanding bonds including two bonds from the 2015 bond refunding and the 2018 School Improvement Bond. Should market conditions be favorable, the District will move forward with consolidating this debt and save taxpayer dollars on these debt obligations. The District's financial stability is a responsibility the Board of Education takes seriously and being good stewards of the resources we are provided by the community is a high priority.

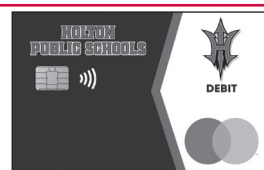

**Cold and Flu Season:** We are certainly experiencing the cold and flu viruses that are circulating. To prevent getting sick, the Centers for Disease Control and Prevention recommend the following:

- Wash your hands for at least 20 seconds with soap and water.
- Get vaccinated if you can.
- Avoid touching your eyes, nose, and mouth.
- If you are sick, stay home until you are fever free for 24 hours without medicine.
- Clean and disinfect surfaces and objects.

Our custodial team works hard to make sure common touch surfaces are disinfected frequently and use disinfecting machines to help prevent the spread of illness. If you have any questions about whether or not to keep your child home, please contact the building office. You are also welcome to reach out to Hackley Community Care to connect with the nurse, Amanda Giddings. The phone number to Hackley Community Care is (231) 733-6692.

**Winter Weather:** The snow flurries will be here soon! Occasionally, winter weather can impact our ability to have school. Should school need to close due to weather, we will communicate this out through our all call system, website, local TV stations, and social media pages. Please make sure your contact information is up to date in PowerSchool so that you are notified of snow days and other important announcements. If you need any help with this, please contact the building offices.

**Best Financial Debit Card:** Best Financial offers a Holton debit card that provides funds to our Fine Arts and Athletics Program! Best Financial presented a check this year for over \$1000 to support these student programs. Stop into Best Financial to learn more about this program and show your Holton pride every time you use your debit card! HPS is grateful for all of our community partners including Best Financial!

With the Thanksgiving season upon us, I hope you are able to celebrate with all of those who bring you joy. We have so much to be grateful for as a community. I am so proud of this place! I'm wishing you all a safe and healthy holiday season! On Holton!

With Great Respect and Pride,  
Dr. Adam Bayne

## New Staff at HPS!!

### Welcome Devin Korstanje!

Devin Korstange recently joined us through Enviroclean as a Maintenance/Custodial employee. Devin is a 2012 Holton graduate, lives in the district, and has three kids that attend Holton. Outside of work, he enjoys spending time with family and friends, and running a small hobby farm. Devin is eager to continue learning the ins and outs of school maintenance.

### Welcome Marissa Brandenburg!

Marissa is our new Elementary School Counselor! Mrs. Brandenburg comes to us from Hackley Community Care serving as a school based clinician in Fruitport. She is so excited to support our elementary students, staff, and families.

## HOLTON APPAREL SALE:

**GET YOUR RED DEVIL APPAREL:** STORE will be open 10/28/2024 thru 11/24/2024. \*\*PROCEEDS FROM THIS SALE WILL GO TO THE "CLASS OF 2025" \*\* All apparel will be completed no later than 12/13/2024. Just in time for Christmas! PLEASE CHOOSE LOCAL DELIVERY TO AVOID SHIPPING FEES! You may choose shipping if you prefer your items shipped to your home. SHOP HERE: <https://tcp-spirit-gear.myshopify.com/>

## UPCOMING EVENTS

Hosted by the HS Student Council:

### Staff vs Student Elf Basketball Game

Tuesday, November 26th • 6:00pm in the HS Gym

### Snowcoming Boys Basketball Game

January 17, 2025 • JV/Varsity Boys will host the Hart Pirates

JV 5:30pm • Varsity 7:00pm

The Snowcoming Festivities will follow the JV Game

### Snowcoming Dance

Saturday, January 18, 2025 • 7:30pm to 10:00pm in the HS Fitness Center

## CLASS OF 1974

**Alumni from the Class of 1974** Were recognized at the Homecoming Game in honor of their graduation from Holton High School 50 years ago. Several graduates proudly represented the Class of 1974! Holton High School alumni were also treated to an Alumni Tent prior to the game to reminisce and reconnect with old friends.

*We are proud of our graduates!*

## Principal Letter

Dear Parents and Guardians,

I am pleased to announce that our school has successfully completed the first marking period of the academic year. I am very proud of how our students and staff have worked hard throughout the quarter and put forth the extraordinary effort needed to succeed. With the first 13 weeks behind us, it offers a great opportunity for students to reflect on their progress so far in their classes.

Students should always come to class prepared and bring all needed materials. We have a variety of resources in place for students who would like extra support in their classes. Please encourage your students to ask their teachers for help when needed, take advantage of available resources, and remember that all staff are here to help. They should take advantage of our After School Tutorial and the Testing Center. Project Focus is an excellent program for middle school students, and National Honor Society tutors are also available by contacting Mrs. Olson or Mrs. Schulz. These are just a few tips to help your student be successful!

Our Fall Awards Assembly is on November 26 where we distribute academic awards and acknowledge our foreign exchange students. It is an enjoyable event that celebrates notable HHS students.

Lastly, November is a great time to remind ourselves of what we are thankful for. I am reminded daily of all the great things our students are capable of. We have a wonderful staff and exceptional students who make Holton a great place to be.

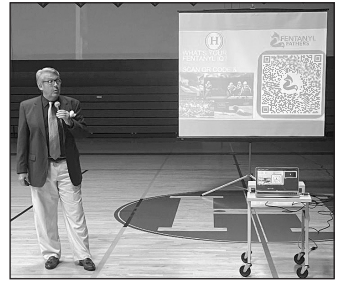

Thank you for all of your continued support. I am grateful to serve this community.

Sincerely, Erik Carlson, Principal

## Fentanyl Fathers Presentation

Holton Middle/High School welcomed Fentanyl Fathers into the building on September 25th to present to the students about the dangers of fentanyl. Fentanyl Fathers is a group of bereaved fathers that have lost children to fentanyl. Their goal is to speak to students at every secondary school in America so that other fathers do not have to experience the grief they have. As many parents are aware, fentanyl is an extremely potent synthetic opiate that has sadly claimed many lives in this country. For some time now, fentanyl has been mixed into other street drugs and is causing a significant amount of overdoses. One shocking fact presented was that 8 out of 10 pills sold by drug dealers now contain fentanyl. With the extreme risks posed to students and their families by fentanyl, the Middle and High School staff thought this presentation was something the students needed to hear. The presentation was informative and powerful. Parents, please make sure you are speaking to your children about the risks that fentanyl and other drugs pose. Make the message clear: do not take anything from anyone that wasn't prescribed to you!

The presentation was something the students needed to hear. The presentation was informative and powerful. Parents, please make sure you are speaking to your children about the risks that fentanyl and other drugs pose. Make the message clear: do not take anything from anyone that wasn't prescribed to you!

**Thank you Gold Level  
PBIS/Ride With Pride Sponsors!**

**THE PIZZA MILL**  
Pizza, Subs, Sandwiches,  
Salads & More!  
**231-821-9991**  
8485 Holton Rd - Holton, MI

Holton Middle/High School would like to recognize and thank our Gold Level PBIS/Ride With Pride sponsors. We could not run either of these programs without the generosity of these businesses. Fremont Ford, The Pizza Mill, Twin Lake Greenhouse, and Slater Directional Drilling have been donating to support these programs for many years. We would also like to thank our new Gold Level sponsor: Hackley Community Care! We do not have a logo for them, but wanted to give a special thank you to the Crane Family Foundation who has also been a huge support for these programs.

*Thank you so much. We couldn't do it without you!*

## TOYS for TOTS

The HS Student Council will be joining the TOYS for TOTS "SCHOOL SPIRIT CHALLENGE"

We will be competing with local school districts collecting TOYS for TOTS!

We will have drop off boxes in each of our district buildings.

We will be collecting donations through December 13th.

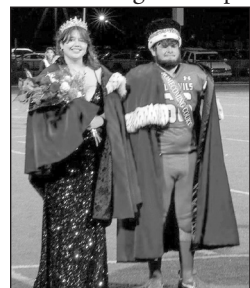

Photo: Back Row Left to Right Cheerleader Hunter Fox, Coaches - Jake Schropp, Riley Schropp, Green Team: Mya Bartolameolli, Chloe McKee, Kendra Dean, Mya Kravako, Airianna Sampson, Leanna Giddings, Middle Row Grace Thompsen, Brailyn McCleary, Taela Plekes, Isabella Westerbeek. Purple Team: Back Row - Bree Chesebro, Ellyse Jarvis, Emrey Bourdo, Megan Griffin, Coach BJ Smith, Brodey Gould and Chase Goyings. Middle Row Kaylee McMillan, Mia Giddings, Kenzie Greene, Justice Hill, Aubrey Goyings, Karley Plekes, Lily Stone-Tibbits and Lexi Bartolameolli. Front Row Coaches - April Peters and Morgan Schropp. Cheerleaders - Austin Clay, Peyton Russell, Tyler Pritzel, Ryan Evarrt, Langston Payne, Seth Erickson, David Addison and Mason Schropp.

## Powderpuff 2024

The HS Student Council Kicked off Homecoming 2024 with the Powderpuff Game on September 15th. This year our teams were purple and green. The Purple Team was coached by Brodey Gould, BJ Smith and assisted by Chase Goyings. The Green Team was coached by Jake Schropp and Riley Schropp. The Cheerleaders were coached by April Peters and Morgan Schropp. The PURPLE TEAM was VICTORIOUS over the Green Team. A FUN time was had by all!

**Homecoming 2024** was held on September 27th. The HS Student Council selected "Elements" as their theme! Each class picked one of the "4 Elements" to use as the theme for their banner. Freshman - Fire "Devils Burn the Wolverine Down", Sophomores - Wind "I'll Huff and I'll Puff and I'll Blow your House in, the Red Devils are going to Win!", Juniors - Earth "Holton Master the Earth, own the Field" and the Seniors - Water "Red Devils make a storm and put them Under". The WINNER of this year's banner competition were the Freshman, Second Place went to the Seniors and Third place the Juniors and receiving fourth place were the Sophomores.

*Front Row (Left to Right):*  
Sophomore Peyton Traxler, Freshman Jacob Berghuis, Senior Kurtd Mosqueda-Szcseny, Ryan Evarrt, Rylee Pierce and Junior Langston Payne.

The high school and middle school Hope Squads have been hard at work bringing awareness to mental health resources, connecting with the community, and identifying ways to build stronger connections with peers in school. This school year they have participated in storytime at the Holton Public Library with stories focused on friendship and working together. They also observed national suicide prevention day by bringing awareness to the semicolon, a way to represent and share personal strength and to overcome internal struggle. They were also able to make students aware of the mental health resources available to them within their building and nationally. Hope Squad has also participated in restorative practices training, which is a learning approach that works to build relationships and positive community within the school. Hope Squad is hoping that this will allow students to be able to better manage peer conflict and build peer connections more readily. They're eager to bring more resources to the school and continue to build connections within the community and amongst their peers.

## Principal Letter

Holton Elementary Families,

Welcome to Fall, Holton Families. The fall leaves remind us that is fall, but the temperatures keep feelings like spring and summer most days. Most of our students that are involved in fall activities are wrapping up their seasons and before we know it snow will appear. (At least we didn't get a Halloween blizzard again like last year.)

Here at school we have completed our first marking period, our first round of benchmark assessments, and have settled into our routines. We are excited to have a new mentor program joining us through the United Way to help our youngest students become readers. The Muskegon County Road Commission visited with our K-3 classes to remind them of snow plow safety. And we were able to hold our annual Halloween costume parade with many family members coming to watch.

Some of our grade levels have scheduled field trips this fall. Our Kindergarten students went to visit Weesies Brothers to learn about Spookley the Square Pumpkin, our third graders worked with the Muskegon Area District Library and will be seeing an author presentation in Muskegon, third grade also visited Pioneer Park, and will be visiting the Lakeshore Museum in Muskegon.

With the school year moving so quickly, the holidays are right around the corner. I am hoping that all of our families will be able to spend time together enjoying each other and making memories. And if you have any questions feel free to reach out at [ebyrnes@holton.k12.mi.us](mailto:ebyrnes@holton.k12.mi.us) or 231-821-1828.

*In Holton Pride,  
Erin Byrnes, Holton Elementary Principal*

### SAVE THE DATE

Holton Elementary is once again planning a Spring Carnival.

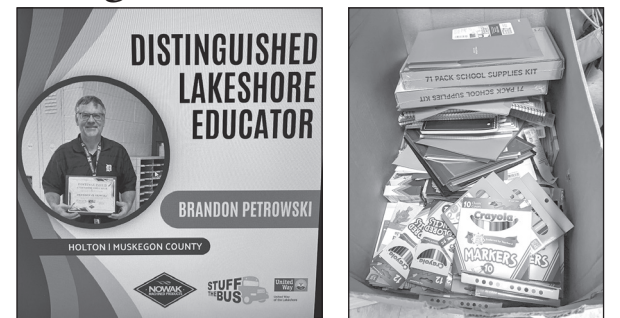

Save the date to join us on  
**MAY 8TH FROM 5:00 – 7:00 PM**

### STEM Night

Holton Elementary hosted a STEM night on October 24th from 5:00 – 7:00 PM. Students and their families were invited to participate in a variety of STEM activities. Some of the activities included creating a marble run, figuring out order puzzles, giving directions to build the same structure to a partner, creating a plastic comb kazoo, learning what engineers do, make a guess at an estimation station, creating electrical circuits, and more. Dinner was provided to students and families who attended this event. Everyone had a great time working through the challenges and learning along the way. *A huge thank you to Ms. Martin for all of her efforts in planning for this event.*

### Congratulations Mr. Petrowski!

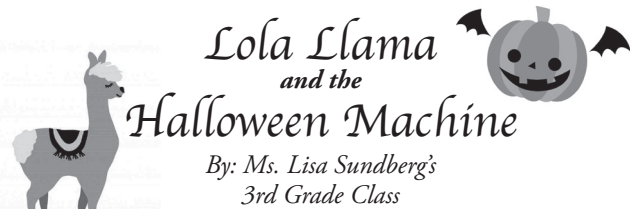

Congratulations to fourth grade teacher, Mr. Petrowski and his class. He was chosen as the distinguished lakeshore educator and received a large amount of school supplies for his class. The United Way campaign is called Stuff the Bus. Many people donate school supplies and then a teacher who is nominated by a family/student is chosen each year to receive the supplies.

### Kindergarteners Visit Weesies

On Thursday, October 31st for Halloween, the Kindergarten students visited Weesies Brothers to hear the story of Spookley the Square Pumpkin. "Spookley the Square Pumpkin tells the story of the square pumpkin who lives in a round pumpkin patch. Spookley initially faces ridicule from the other pumpkins for being different. Then, one night during a terrible storm, Spookley saves the other pumpkins and they learn that what makes you different is what makes you special. This delivers a message of tolerance and kindness." Students are also able to play on the playground and take tractor ride to the pumpkin patch.

### Ms. Sundberg's Third Grade Students are Authors

Ms. Sundberg's third-grade classroom completed a big project sponsored by the Muskegon Area District Library. During the first week of October, they worked with Mrs. Jodi Juergens (our MAISD literacy coach) to develop and design our class book. They had started to read the Peanuts Countdown to Halloween (a daily story for each day in October), so they decided to write about Lola Llama (our class mascot) and her use of a Halloween Time Machine. Students were inspired to use the concept of a time machine based on an earlier book that they read in September--Llama Unleashes the Alpacalypse by Jonathan Stutzman. So students partnered up, created our stories and illustrations, and finally finished our book! They have turned the draft of their book over to MADL for them to make into an actual hardcover book. The library is making two copies--one for the classroom and one that will be available for checkout at our Holton Library Branch.

Ms. Sundberg's class attended a student author celebration at the Holton Library Branch on Tuesday evening, November 12th, at 6:00 p.m. The finished books were presented to the class and the library. As the final step, they traveled to Muskegon Heights Academy High School on November 14th to meet author, Yuyi Morales. MADL gave them her newest book, Dreamers, for their classroom library. There were other third grade classes from around the county at this event. Third graders at Holton were lucky to be able to attend! This has been a worthwhile project that has inspired students to practice more of their writing skills in the future!

### Muskegon County Road Commission Visit

Thank you to the Muskegon County Road Commission for once again bringing their "Play it Safe" message to our Kindergarten through third grade students. They brought their large plow truck to the elementary for students to see. Students were able to learn about how to stay safe around large plow trucks like this one during the winter months. After they had learned all about safety, each student was able to sit in the driver seat of the truck and sign their name to the front of the plow.

### Third Grade Visits Pioneer Park

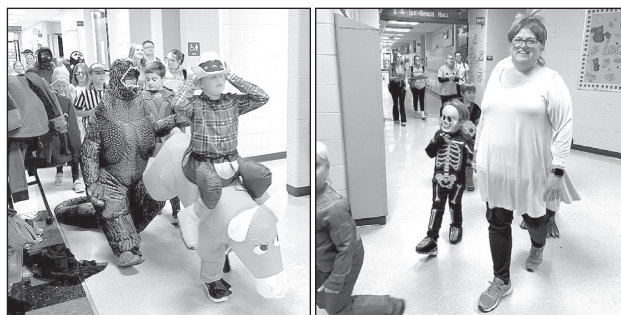

The third grade traveled to Pioneer Park on October 1st to attend the Muskegon County Water Festival, sponsored by Howmet Aerospace Foundation, Meijer, Muskegon Conservation District, and the Muskegon County Community Foundation. Our third graders learned about the water cycle, invasive species, furs and adaptations of native animals, groundwater contamination, impact of industry on our lakes, and conservation of our trees. Students were given a pine tree to plant at home. We also walked down to Lake Michigan -- we had a beautiful day of weather for October -- it was surprising how many students had not been to the big lake!

### UNITED WAY MENTORS

Holton Elementary is excited to welcome volunteers from the United Way to work with some of our Kindergarten students. This program is to help some of our students who need a little extra 1 on 1 attention in learning their letters and sounds. We have ten volunteers that each come one day a week. They work with a group of students, one at a time, during their time here each day. This is a new program for us to be involved in and we are looking forward to see the success that is gives our students.

### HALLOWEEN PARADE

Holton Elementary once again held their annual Halloween costume parade on Friday, November 1st. Students dressed up like so many different characters, animals, super heroes, princesses, and other scary and fun things. Many family members came to see all of the students in their costumes as well as visit their classrooms following the parade.

## WINTER SCHEDULE 2024-2025

Please check <https://holtonathletics.com/> often for the most up to date schedules and happenings around Holton Athletics. We will also utilize the Holton Facebook page to announce changes to our sports schedules.

**On Holton!**
